About us

Care Quality was established to support individuals to live the life they choose, by providing exceptional quality care and support services.

All about making your own choices and having control of your life, our 'active support' approach empowers you to do things for yourself when possible.

With passion in our roots, we honour every individual's own unique story and work together to achieve exceptional outcomes.

Services

DISABILITY SUPPORT

A registered provider of the National Disability Insurance Scheme (NDIS), Care Quality has a disability support service for every ability. From support in the community to help around the home and more, together we'll work with you to keep you in control of what you want and need.

SUPPORTED INDEPENDENT LIVING (SIL)

At Care Quality, we provide support to people with daily life tasks in a group or shared living environment. From low to complex high-care needs, our supports provide you with a secure and comfortable home. Tailored to suit you, our SIL services can also help you learn new skills, get involved in activities and stay healthy and safe.

ACQUIRED BRAIN INJURY SUPPORT

Specialising in acquired brain injury (ABI) support, we're dedicated to working with you and your family to achieve your goals, your way. We understand that each person who has experienced an ABI injury requires individualised support, that best meets your specific needs and support independence.

SPINAL CARE

Experienced in spinal care and complex high-care needs, Care Quality will give you the support you need, when you need it. From active support with daily tasks, to transfer, mobility and community access, we are dedicated to working with you to live the life you choose.

**For more information, please contact us at
